A NOTE TO THE READER

To truly understand this chart will require a comprehensive and in-depth understanding of the Bible and the message of Malachi 4, as well as the indwelling of the Holy Ghost to catch the vision of how everything fits together. The spoken Word of the prophet has been taken back to the written Word of the Bible to ensure that the layout and progression of events shown is as accurate as possible in the Light of what God has revealed to His Bride. There will be elements of the chart that require further refining and clarity as more Light is given; however, to date, this is the best presentation to share.
